Recent Purchase and Sale Agreements

On or about April 9, 2013, we agreed to purchase for \$15.5 million a property in Fort Mill, SC. This property is leased to Shutterfly, Inc. through July 2023, subject to a five year renewal at the tenant's option. We estimate that this transaction, which is subject to customary closing conditions, will be completed in the summer of 2013.

On or about April 11, 2013, we and our tenant-in-common agreed to sell a property in Los Angeles, California for \$25 million. We anticipate that this sale, which is subject to customary closing conditions, will be completed in the summer of 2013, and estimate that our share of the gain for accounting purposes will be approximately \$2.8 million.

No assurance can be given that these transactions will be completed.

Recent Tax Law Changes

Tax rates for U.S. taxpayers that are taxable as individuals have recently changed, and provide for a maximum rate of 39.6% on ordinary income and 20% on long-term capital gains. A new 3.8% Medicare tax will also be imposed on the net investment income (which includes, but is not limited to dividends and net gain from investments) of U.S. individuals and trusts and estates, with income exceeding certain thresholds. In addition, recent legislation will impose a 30% withholding tax on dividends paid on our shares of common stock after December 31, 2013, and on proceeds from the sale of shares of our common stock after December 31, 2016 by U.S. stockholders who own those securities through foreign accounts or foreign intermediaries and certain non-U.S. stockholders, if such stockholders fail to comply with certain certification, information reporting and other requirements. Investors and prospective investors should consult their tax advisors regarding these recent changes.
